

UNIVERSAL DUAL 4K DISPLAY DOCKING STATION

USB 3.0 and USB-C Compatible Docking Station

2-POWER's Universal Dual 4K Display Docking Station is compatible with both USB 3.0 and USB-C laptops giving maximum flexibility. Add 2 additional displays, networking, audio and USB peripherals all via a single USB cable.

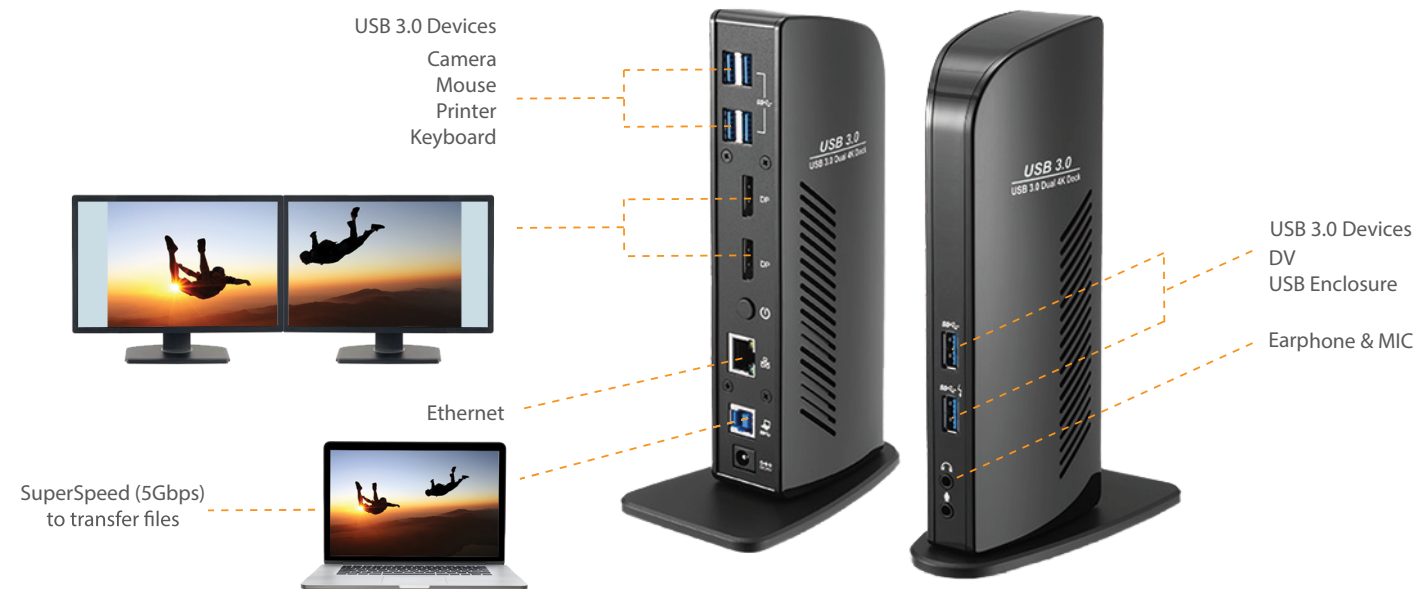

6 x USB 3.0 ports provide fantastic expansion to connect additional devices to your laptop and are backward compatible for USB 2.0 and 1.1 devices. Enjoy SuperSpeed data transmission to and from your USB peripherals. Two DisplayPort (DP) connectors allow you to extend your desktop onto multiple screens or mirror your content as required.
