USB-C & USB 3.0 DUAL HD VIDEO DOCKING STATION

Connect to a desktop environment including dual displays, all from either a USB-C or USB 3.0 connection.

2-Power's USB-C & USB 3.0 Dual HD Video Docking Station transforms your laptop's connectivity and compatibility. Ideal for both legacy and cutting-edge devices, upgraded laptops no longer mean a new dock. Perfectly suited to a bring your own device or hot-desking environment, disconnect and reconnect your laptop to your mobile workstation with only one cable.

Two USB 3.0 ports enable you to enjoy SuperSpeed data transmission between USB peripherals. Four additional USB 2.0 ports offer maximum flexibility to connect your devices. Expand your workspace and consolidate your connections with this versatile accessory for home and office environments.
